

1. These bookmark samples are aligned to print evenly so they can be folded back-to-back. **Please avoid moving the text boxes.**
2. Create your own pictures in Paint. Substitute each image below with your own. Right-click each picture below and choose CHANGE PICTURE. Find the image you made in paint and insert it.
3. Research your explorer. Write about him and his voyage in the textboxes below. After you finish, print the bookmark on a color printer, fold it exactly in half, trim along the edges (leave a small margin around the outside) and laminate. Punch the holes and insert yarn to make a loop.
